Christian Service Outreach (CSO) Program

Baptist Life Association exists to support the outreach efforts of members' local churches across America. To this end, the Association disburses thousands of dollars annually in matching grants to qualifying churches. For your church to qualify, it must be Baptist in theology and have 10 or more Baptist Life Association members who regularly attend services. The grants are calculated as a tithe or 10% of periodic life premiums and 1% of single life premiums these members remit to Baptist Life or one of its affiliates. Grants range from \$100 to a maximum of \$2,000 annually.

The Baptist Life members who attend a qualifying church, along with church leadership, select a ministry project of their choice, and decide how much money the church will contribute towards the project. A Ministry Assistance Request Form describing the selected project is then submitted to Baptist Life Association. Upon project approval, Baptist Life will match the church's contribution up to the amount of money the church is eligible for that year.

Preacher's Kid Term Program

The program provides a FULLY PAID \$10,000 term to age 16 life insurance certificate for children who qualify.

Qualification is established when the following conditions are met:

Child must be between 15 days and 14 years old

One of the child's parents is a pastor employed by a church qualified to receive CSO matching grant funds, and

The parent has completed an application for coverage which will be fully underwritten (issue is not guaranteed).

If approved, the certificate premium is fully paid until the child's 16th birthday. At that time, the certificate may be converted to as much as \$25,000 of Baptist Life Association permanent coverage without proof of insurability. After conversion, the premium must be paid by the certificate owner (usually a parent) for coverage to remain in effect.

Christian Publication Discount Program

This program affords Baptist Life members an opportunity to purchase Bibles, books, videos, cassettes, CDs, DVD's and a variety of other Christian materials at a significant discount. Most items are available with a 35% discount off regular retail prices and include FREE shipping.

To take advantage of this valuable program members visit their local Christian bookstore, search the internet, or review a book catalog to find the title, author/artist and/or ISBN number for the items they would like to purchase. Then, a telephone call to the Home Office at 1-800-227-8543 ext. 418 is all it takes to place the order! Items are shipped directly to your home or other delivery address.
